^{*} Does not account for list prices from any previous listing contracts or seller concessions. | Activity for one month can sometimes look extreme due to small sample size.

^{**} Each dot represents the change in median sales price from the prior year using a 6-month weighted average. This means that each of the 6 months used in a dot are proportioned according to their share of sales during that period. | Current as of April 5, 2012. All data from RASE Multiple Listing Service. | Powered by 10K Research and Marketing.
